Dear TRATIORIA ZANINI,

This letter is to express our sincere gratitude to your generosity to help us care for God's poorest of the poor. On behalf of our people whom we care, I thank you for being God's instrument of love to them and to us, the Missionaries of Charity.

From the abundance of your kindness and generosity we received £1000 in the Name of the poor children in Maralal;

May God bless you out of His abundance. As our dearest Mother, Blessed Teresa of Calcuta used to say, what we can do you cannot do, what you can do we cannot do, but together we can do something beautiful for God. So we thank you once again and assure you of our prayers. We are sure God will return to you hundred fold. God bless you.

Yours Sincerely in Christ,
