

Our Shop

In our attractive shop the items produced in the workshops are sold together with an assortment of other African handicrafts. The profit generated by the sales of the products supports St. Martin's Community Programmes.

Order Our Products

The leather products and woodcarvings made in our workshops can be ordered by fax or e-mail. Please find our contact information at the back.

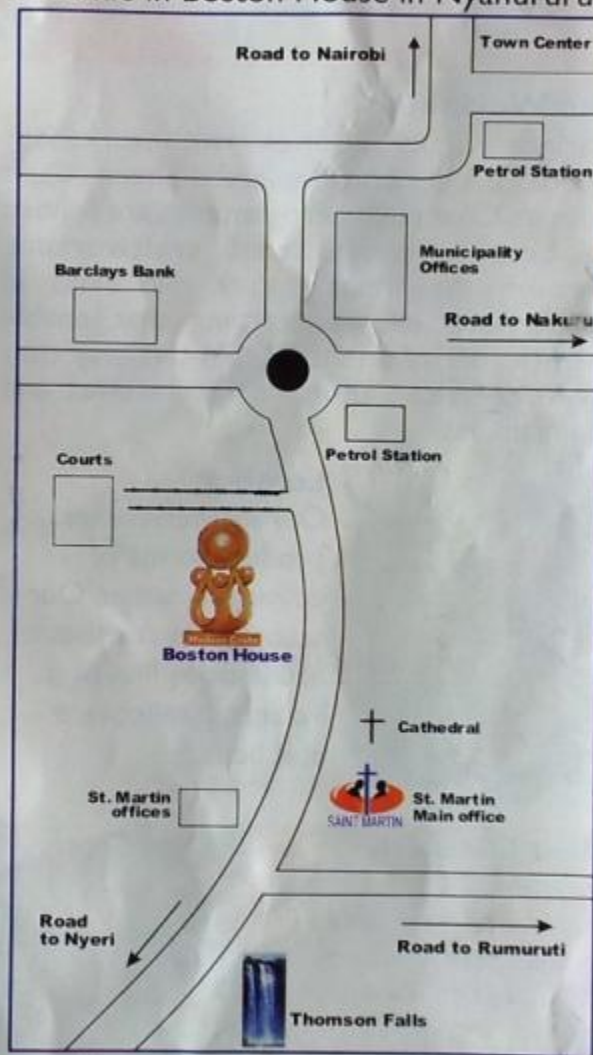

Meet Us

It is possible to meet the craftworkers in the workshops and to learn more about the work of St. Martin. If you are interested in an experience, please contact us in advance.

Our Location

Marleen Crafts is located on Kenyatta Avenue in Boston House in Nyahururu.
