## **APPRECIATION AND THANKS FOR YOUR DONATION 2000 EURO**

Heartfelt thanks and Greetings from Nirmala Sisters Kenya!

We Nirmala sisters would like to express our gratitude of your contribution 2000 euro towards the project of Tanks for rain water collection. It was a great help for our less fortunate children. Now they can drink rain water instead of salty and contaminated with lot of unnecessary and harmful minerals. The Children are very happy to drink fresh water. Thus it reduces much sickness.

We pray for all of you and your dear ones. May God shower His Blessings and Graces upon you.

We bought 6 tanks which costs ksh 69,100 /tank. Because of this charitable home they gave us free transport from Nairobi to Ngaremara about 450 Kilometers.

The basement with concrete cost 28000/ tank.

Total Expense for tanks	=414600
Basement 6x28000	= <u>168000</u>
Total	= <u>582,600 Kenyan shillings</u>

Received from you – (bank commission 27.50 euro)

1 Euro is =110ksh x1972.50      =216,975

Thanks for your generous heart, and the way you taught children how to do charity,

## **Congratulations !! keep it up!**

### **WELCOME TO KENYA!!!**

With Love and Prayers,

Sr Alphonsa. Kallivalappil SNDS
